To make a booking & all the boring bits

- 1. Call or email first to make your booking and to ensure the date is available. We will hold the date for you for 14 days after which time if we have not received a booking form we may re-let that date.
2. Additional booking forms are available from the bar, by email or can be downloaded from our website.
3. Completed booking forms must be returned with your non-refundable deposit of £10 per person. Bookings will be confirmed. Please check your confirmation carefully to ensure the date and time is correct.
4. Completed pre-order forms must be returned no later than 21 days prior to the date of your table booking along with the full balance due. Please make sure your pre-order form includes any special dietary requirements.
5. All payments can be made by cash, credit/debit card at the bar or by phone. We do not accept individual cards from each guest.
6. If a cancellation occurs less than 24 hours prior to the booking date, the meal will be charged for in full. This will be added to the final total for the whole group and must be settled on the day of the event.
7. Group Bookings - we are pleased to host groups and ask that one member be charged with collecting and making all payments. Cheques should be made payable to "The Bluebell Inn" and we can only accept one cheque payment per group.
